

Werner Risau Prize 2014 for Outstanding Studies in Endothelial Cell Biology

The German Society for Cell Biology (DGZ) on nomination by the Werner-Risau-Prize committee will award a prize for "outstanding studies in endothelial cell biology" to candidates within the first five years after obtaining their PhD or MD (except in case of maternal leave). The prize will be awarded for an article already published or in press, and consists of a personal diploma and a financial contribution of EUR 4000.

For further details please visit: <http://www.werner-risau-prize.org>

Applicants are requested to send a letter of motivation together with their CV and one copy of the erticle by email (preferably in pdf format) to the

Werner Risau Prize Committee
c/o Prof. Dr. rer. nat. Hugo Marti
Institut für Physiologie und Pathophysiologie Universität Heidelberg
Im Neuenheimer Feld 326
69120 Heidelberg, Germany
email: hugo.marti@physiologie.uni-heidelberg.de

Deadline for applications: extended to July 14, 2019

The prize will be awarded during the International Meeting of the German Society for Cell Biology (March 18 -21, 2014) in Regensburg, Germany.
